dt:15.02.2019.

**ORDER:**

In the circumstances reported by the Commissioner of Agriculture, Hyderabad in the reference read above, Government after careful examination hereby appoint the TS MARKFED as Nodal Agency for Procurement, Pre-Positioning & Distribution of fertilizers during Agricultural year 2019-20 also on below lines;

- Nominate TS Markfed as Nodal Agency of the Government of Telangana for procurement, pre-positioning and distribution of fertilizers for a period of one year i.e., 2019-20, financial year.
- To maintain buffer stocks of 4.00 lakh MTs viz., 0.30 lakh MT of DAP, 0.70 LMts of Complexes and 3.00 lakh MT of Urea by TS Markfed for the year as per the district-wise buffer levels indicated by the Commissioner of Agriculture.
- To permit Telangana Markfed to raise Government guarantee loans up to Rs.500.00 crores (Rupees Five Hundred crores only) for procurement, buffer maintenance and distribution of fertilizers, for one year, i.e 2019-2020 financial year.
- Government to reimburse interest accrued on the said bank loans availed by Markfed for the year-2019-20 on quarterly basis and till clearance of all loans raised for the above purpose.
- Government to reimburse the cost of incidental charges such as insurance, handling, storage and transportation etc., for the year 2019-20 and till the stocks are liquidated.
- Government to protect TS Markfed and PACS in the event of any downward revision of fertilizer prices by GOI / Fertilizer Companies. As Markfed will be holding buffer stocks on behalf of the Government and Markfed & PACS will be forced to-sell the available stock at reduced prices, from the date of such revision, neither Markfed nor the PACSs will be in a position to absorb such a huge financial impact. Hence protection from the differential cost on the buffer stocks available with Markfed and the closing stock held by PACSs in the event of any such downward price revision may be provided to MARKFED.

2. The Commissioner of Agriculture, Hyderabad shall take necessary action in the matter.
